

Moozik Studio specialises in early childhood music and movement classes for babies and young children. It provides a fun learning environment that encourages child development through music, songs, movement, dance, pretend play and play with instruments.

Moozik Studio presents *Kindermusik* through a licensed *Kindermusik* educator.

What is Kindermusik?

Kindermusik is an international early childhood music and movement program for children, newborn to seven years of age.

Kindermusik is built on the music education methods of Orff, Kodaly, Laban and Dalcroze, and incorporates the work of early childhood experts such as Piaget, Vygotsky, Montessori, Greenspan and Brazelton.

Kindermusik classes are designed to nurture the development of the whole child, not only musically, but also their physical, emotional, social, language and cognitive development as well.

Kindermusik's values are:

- Child centred
- Developmentally appropriate
- Concerned with whole child
- Process, not performance based
- Fun for children and families
- Inclusive of parents
- Quality class and take-home materials.

- **Our Time** – 18 months to 3 years
- **Imagine That!** – 3 to 5 years
